THE CHERRY TREE

Roly Veitch

Thursday 27 November 2008 - 8.00pm

We are pleased to welcome Roly Veitch, one of the outstanding jazz singers and guitarists in the North of England, to The Cherry Tree. Roly plays in Mainstream jazz styles, and mainly standards from the 'Great American Songbook'.

Roly will be accompanied by the very talented pianist Paul Edis – no stranger to The Cherry Tree.

Our first concert in October was a sell-out and was a great success. This concert promises to be another unforgettable evening.

Our regular dinner service will be served from 7.00pm and there will not be an additional cover charge. To enjoy this very special occasion we recommend you book a table as soon as possible to avoid disappointment.
